Introduction

THE UPPER VIEW EXPERIENCE

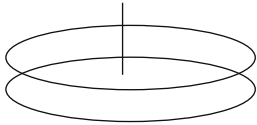

Upper view is a the next kind of resort dedicated to your family happiness. A magical escape made of attention to details in an heaven kind of surrounding nested of top of Koh Samui for a morning seaview you won't forget.

There are many variations of passages of Lorem Ipsum available, but the majority have suffered alteration in some form, by injected humour, or randomised words which don't look even slightly believable. If you are going to use a passage of Lorem Ipsum, yomiddle of text.

Imagery

UPPER VIEW IN PICTURES

Upper view is a the next kind of resort dedicated to your family happiness. Consciousness of the environement, attention to details & memorable service are some of our core values.

The photography will be a reflexion of all those elements, hig-end but accessible, focused on details that make difference & matter. From typical service to decoration & landscape, we will wrap a photo bank that will share to our guest our vision of happiness.

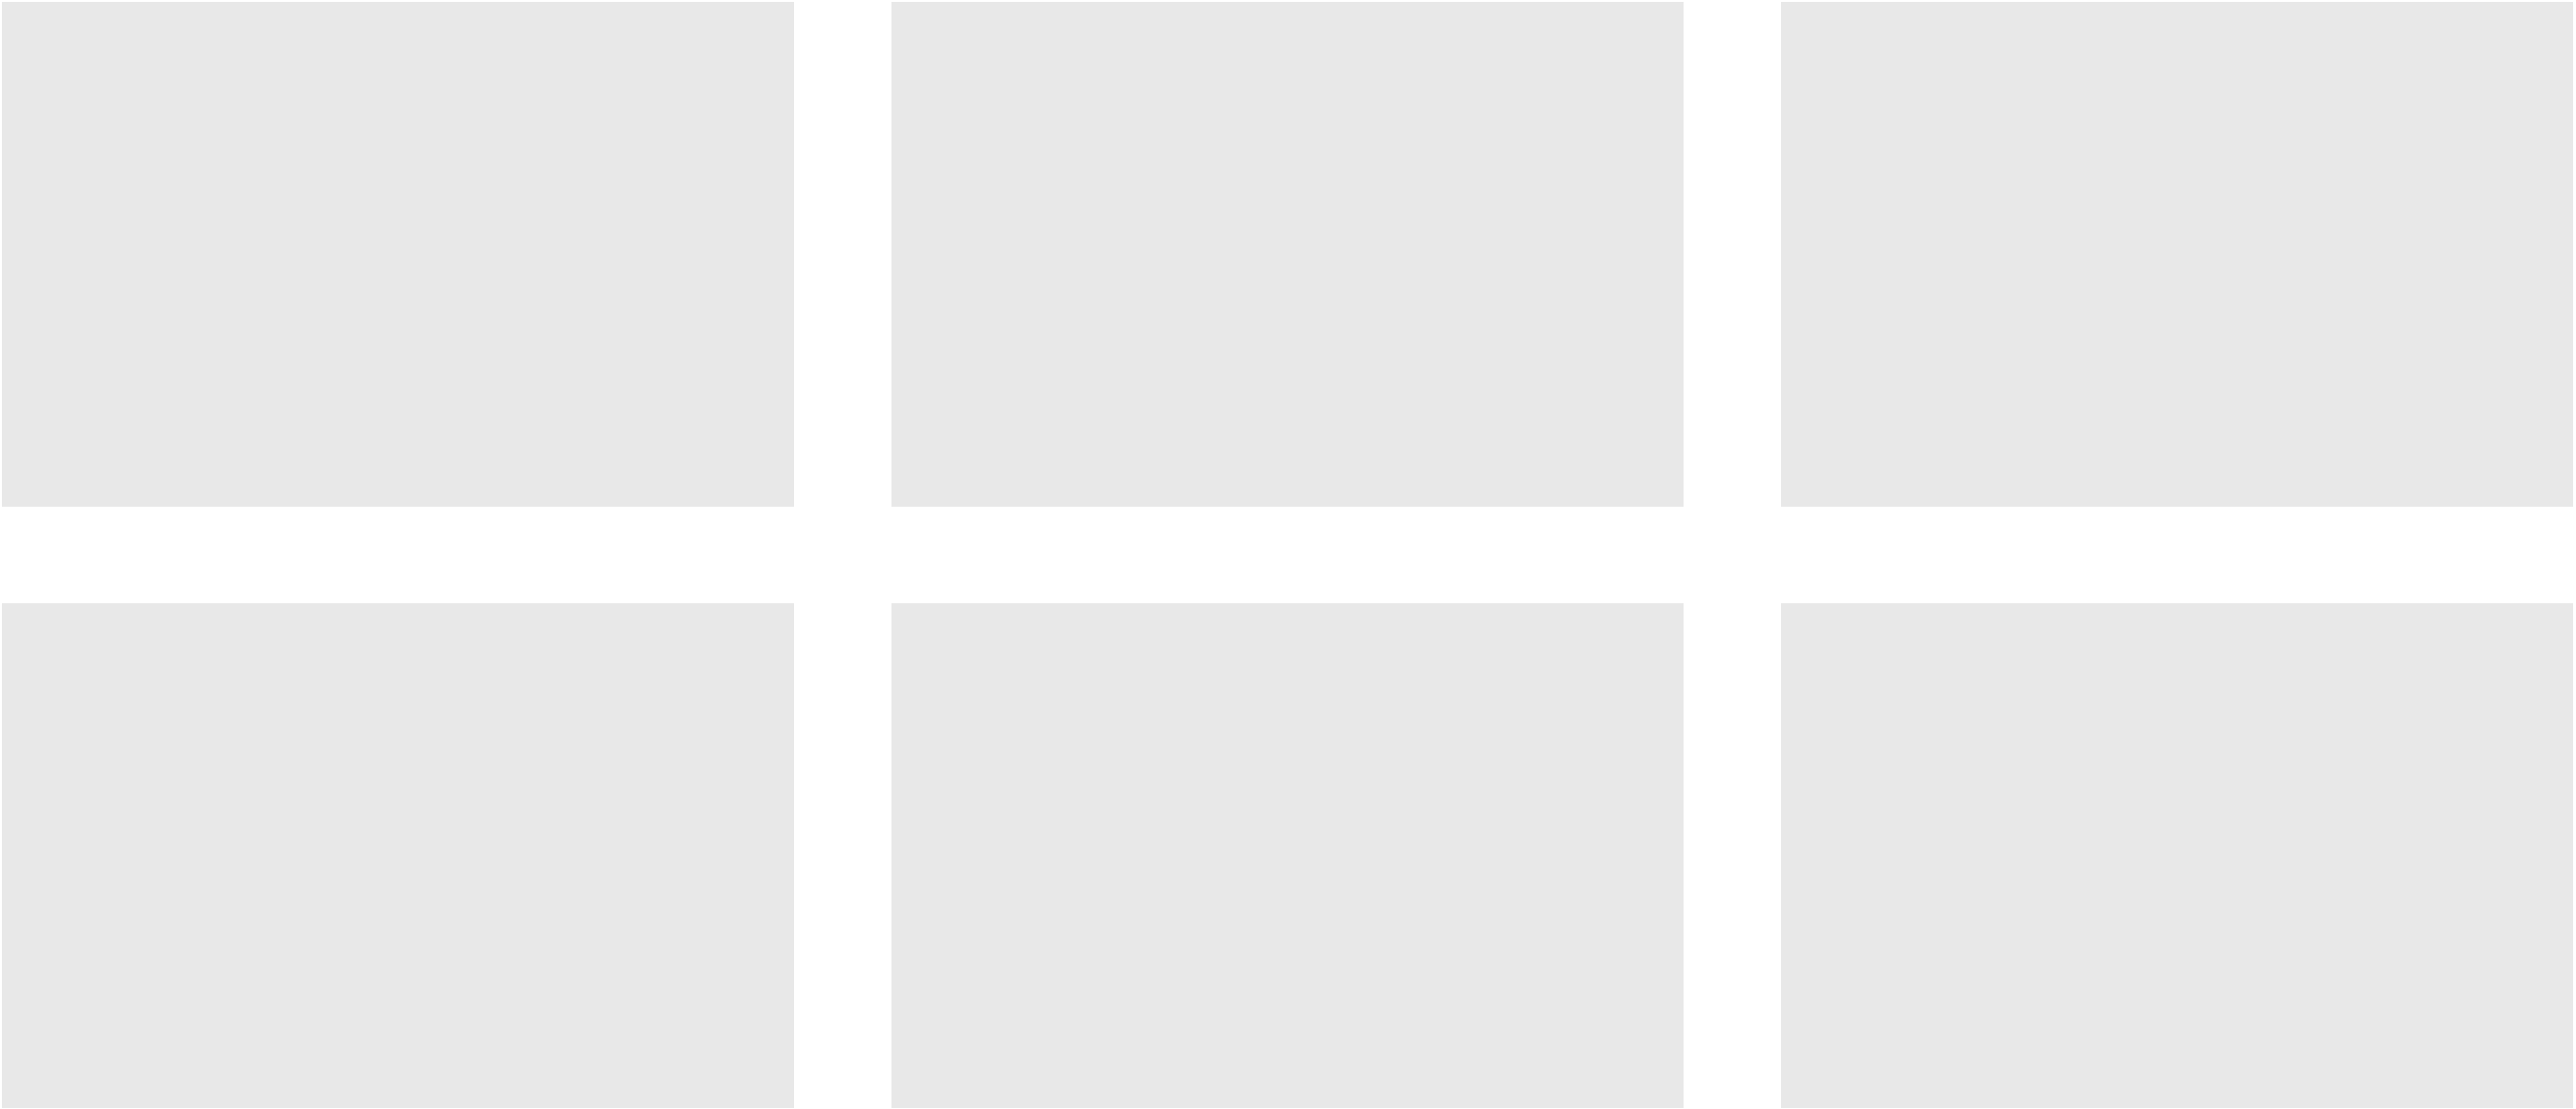

This is an intention of framing & imagery that we will use as a base of work / reference for our final photography.
